

Street Smarts Driver Education Final Review

Directions: Complete the following on a separate piece(s) of paper.

Paper one:

1. List the steps to follow when changing lanes.
2. Describe a minimum of THREE special situations you might encounter when you enter or exit a highway.
3. List FIVE behaviors of aggressive drivers.
4. Create a PRE-driving checklist with a minimum of six items on it that you would do BEFORE you drive.
5. List FOUR different types of traffic signs and explain their purpose.
6. Describe FIVE scenarios related to mental and/or physical conditions that would effect driving. Create a solution to address each problem.
7. Define “right of way” and the “right of way” rules for all users of the road including vehicles, pedestrians, bicyclists and motorcyclists.
8. Explain the purpose of seatbelts and the consequences of not wearing one.
9. Explain the unique situation you have when you pass a Commercial Motor Vehicle and how to drive through them safely.
10. List five roadway conditions that effect driving. Explain how you should manage your space and time when these conditions are present.

Paper Two:

1. What did you like about the class time at Street Smarts?
2. What did you like about the driving?
3. What did you dislike about class time at Street Smarts?
4. What did you dislike about driving?

Paper Three:

Write a thank you to ONE speaker who volunteered their time to talk to you this session:

ABATE
Highway Trooper
EFR (Employee Family Resources)
DOT (Department of Transportation)
Other: _____
